# YUCHO SHUZO KAZE NO MORI JUNMAI ALPHA

Rice Varietal: Akitsuho

Rice Polishing Ratio: 65%

Creating a Japanese sake that is even more widely enjoyable is the idea behind TYPE 1. Its alcohol content has changed down to 12%. However, it got more flavourful volume and fruit tastes. Through this sake we seek to expand the possibilities for Japanese sake and make a sake that may serve as a gateway to the world of sake for the uninitiated. Accordingly, the subtitle for TYPE 1 is 'Gateway to the Next Chapter'.
